

With the evening looking like rain which thankfully never appeared, 22 riders faced the timekeeper. Only two club members and 1 private rider got under the 15 minute time. Dave Watson with a 14.22 , Richard Howes with a 14.53 and Marc Lee From Stratford C.C. with a 14.56. The weather thankfully kept dry but the wind did not help the riders much hence the times for most of the riders were a few seconds slower.
